List all other scholarships/loans (and their amounts) you will be receiving for the semester for which you are seeking aid: \_\_\_\_\_

### Essay

Attach a short essay explaining your involvement in the following: extracurricular, participation, service, leadership and research, any extenuating circumstances or obligations that affect your financial needs. Include the following: financial support from parents, non-student spouse, current scholarships, grants and existing loans.

## Complete Back

### Student Certification

I certify that the information furnished on this form is true to the best of my knowledge and that:

1. I am officially enrolled as a full-time Chemical Engineering major
2. I will take at least 14 semester credit hours in the semester for which I am applying for a scholarship, or a total of at least 28 credit hours for Fall and Winter semesters combined
3. I am enrolled in the following chemical engineering courses for the coming semester:

\_\_\_\_\_

I further certify that if I withdraw from the chemical engineering major before the end of the semester/term, or fail to successfully complete any of the above ChE courses this semester/term, I will return the scholarship money that has been awarded me.

I agree to live by the BYU honor code, including the dress and grooming standards.

I promise that, if awarded a scholarship, I will write a letter of appreciation to the Chemical Engineering Scholarship Committee.
